Applicant's Declaration

We confirm the above order for a hosted 3CX solution. We confirm that the agreement is for a 24 month period and that we, the client, are responsible to ensure timely payment of all monthly recurring charges and any call charges until the end of our contract. Early termination of this contract must be made in writing and will incur a penalty of €350.

All installation charges as well as the first month of service are payable upon order.

All prices are exclusive of VAT.

Hosted PBX solutions are supported by email on helpdesk@vanilla.net.mt and any support requests may be chargeable if the cause of the issue is attributable to a client error.
